PETITION TO OFFICIALS OF THE CITY OF SOUTH BEND AND ST. JOSEPH COUNTY

We, the undersigned would like to request that the officials of the City of South Bend and St. Joseph County take this opportunity, with the reconstruction of Edison Road, to begin the process of striping bicycle lanes on city and county roads which radiate out from the new recreational bicycle and pedestrian trails planned for Edison Road, Juniper Road and Twyckenham Drive. Streets that are currently wide enough for bike lanes include the following:

1. Angela Boulevard from Notre Dame Avenue to Portage Road;
2. Notre Dame Avenue from Edison Road to Northside Boulevard;
3. Eddy Street from Edison Road to Jefferson Boulevard;
4. Jefferson Boulevard from St. Joseph Street to Byrkit Avenue;
5. Northshore Boulevard from Eddy Street to Angela Boulevard

We understand that in order to stripe some of these roads, it would require the city or county to restrict parking to one side of the road. While this parking restriction may inconvenience a few residents, it would be in the interest of safety for the majority.
